## MATERIAL SAFETY DATA SHEET

This Material Safety Data Sheet (MSDS) is provided as a courtesy in response to a customer request. When used as recommended or under ordinary conditions, it should not present a health and safety hazard. However, use or processing of the product not in accordance with the product's recommendations or not under ordinary conditions may affect the performance of the product and may present potential health and safety hazards.

The information in this MSDS is believed to be correct as of the date issued. Belkin MAKES NO WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR COURSE OF PERFORMANCE OR USAGE OF TRADE. User is responsible for determining whether the Belkin product is fit for a particular purpose and suitable for user's method of use or application. Given the variety of factors that can affect the use and application of a Belkin product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the Belkin product to determine whether it is fit for a particular purpose and suitable for user's method of use or application.

Belkin provides information in electronic form as a service to its customers. Due to the remote possibility that electronic transfer may have resulted in errors, omissions or alterations in this information, Belkin makes no representations as to its completeness or accuracy. In addition, information obtained from a database may not be as current as the information in the MSDS available directly from Belkin.
