

# Material Safety Data Sheet

## Section 1- Product and Company Identification

**Prepared for:**

Natural Trends LLC  
63 North 400 West  
Provo, Utah 84601

**Emergency Telephone:**

PERS - 800-728-2482

**Non-emergency Phone:**

801-221-4667 ext. 713

**Product Name:**

Emergency Stain Stick

**Description:**

Spot/Stain Remover

**Date Prepared:**

9/17/2012 Reason for revision: Emergency Phone update

## Section 2- Hazardous Ingredients

Ingredient	Cas #	Osha Pel	ACGIH TLV
Hydrogen Peroxide	4422-84-1	1 ppm	1 ppm ( TWA)
Ethyl Alcohol	64-17-5	1000 ppm	1000 ppm (TWA)

## Section 3- Product Identification

**Emergency Overview:**

Can cause eye burns, skin burns and damage to respiratory tract. Harmful if swallowed.  
Strong oxidizer. Contact with other material any cause strong decomposition

**Potential Health Effects**

Eyes: May cause eye irritation or burns  
Skin: May cause irritation of burns  
Ingestion: May cause nausea, cramps or diarrhea  
Inhalation: Inhalation of mists may irritate respiratory tract.

## Section 4- First Aid measures

Eyes: Flush immediately with clean water for at least 15 minutes. Get medical attention  
Skin  
Contact: Remove any contaminated clothing or shoes. Wash affected areas thoroughly with soap and water. If irritation persists, contact a physician.  
Ingestion: Rinse mouth with water. Dilute by giving 1-2 glasses of water to drink. Do not induce vomiting. Never give anything by mouth to an unconscious person. Call physician or poison control immediately.  
Inhalation: Remove to fresh air. If breathing is difficult or discomfort occurs and persists get medical

## Section 5- Fire Fighting Measures

Flashpoint and Method: >200 F ( TCC)

Extinguishing media: Water spray or water fog

Fire Fighting Procedures: Wear self-contained breathing apparatus and protective gear. Fire fighting equipment should be thoroughly decontaminated after use. On decomposition, product will release oxygen which may intensify fire.

## Section 6- Accidental Release Measures

In case of spill or leak : Ventilate the space involved. Flush with plenty of water Combustible materials exposed should be rinsed with large amounts of water and disposed of in a proper manner.

## Section 7- Handling and Storage

Avoid contact with skin and eyes. Do not breath mist. Do not taste or swallow. Wash thoroughly after handling. Use only with adequate ventilation. Avoid contamination keep container closed.

## Section 8- Exposure Controls/ Personal Protection

Eye protection: Prevent eye contact. Wear chemical splash goggles or similar eye protection if the potential exists for eye contact.

Skin Protection: Avoid skin contact. Wear rubber gloves to prevent contact. Do not allow peroxide to dry on contaminated clothing, Launder contaminated clothing before re-use. Wash skin thoroughly after handling.

Respiratory Protection: if misting conditions are present, wear a self-contained breathing apparatus, DO NOT use air-purifying respirator or dust mask, especially those containing activated carbon.

General Hygiene: Wash hands after handling.

## Section 9- Physical and Chemical Properties

Appearance: Water white liquid

Boiling Point: >210F

pH: 3.8

Melting Point: Not established

Vapor Pressure ( mm Hg): Not established

Odor: Slight

Specific Gravity: 1.023

Solubility in Water: Complete

Evaporation Rate ( Butyl Acetate =1): >1

Vapor Density (AIR=1): Not established

## Section 10- Stability and Reactivity

Stability: This material is chemically stable under normal and anticipated storage and handling conditions.

Incompatibility (Materials to avoid): Reducing agents, dirt, paper, iron and other heavy metals, copper alloys and caustic.

## **Section 11- Toxicological Information**

Toxicity: Moderately toxic if swallowed  
Primary Skin Irritation: Mild  
Primary Eye Irritation: Mild

## **Section 12- Ecological Information**

Hydrogen Peroxide in its concentrated form can be highly toxic to marine algae,  
No data is available in this product form.

## **Section 13- Disposal Considerations**

Dispose of in accordance with applicable local, state and/or federal regulations.

## **Section 14- Transportation information**

Not regulated

## **Section 15- Regulatory Information**

SARA Title III Hazard Categories  
Hydrogen Peroxide:

Immediate ( Acute) Health- Y  
Delayed ( Chronic) Health- N

All other ingredients are listed in the TSCA inventory. This product does not contain chemicals currently on the Extremely Hazardous Substance List.

## **Section 16- Other Information**

Natural Trends LLC believes, to the best of its knowledge, that the information contained here is accurate and reliable use of the date of this MSDS. However, because the conditions of handling, use, and storage of this material is beyond our control, we assume no responsibility or liability for personal injury or property damage incurred by its use and make no warranty, expressed or implied, regarding the accuracy or reliability of the date. All materials may present unknown hazards and should be used with caution. The information and recommendations in this MSDS are offered for the users' consideration and examination. It is the responsibility of the user to determine the final suitability of this information and data to comply with all applicable federal, state, and local laws and regulations.
